On August 25, 2020, this officer reviewed the location monitoring participant agreement with the defendant. The defendant signed the agreement and stated he understood the program requirements. On August 31, 2020, the defendant was not approved to leave his residence. However, at 10:03 A.M., the defendant left his residence without permission. This officer spoke to Mr. Wheeler at 10:22 A.M., who reported he initially left his residence to attend a meeting at Child Protective Services that he thought was scheduled for that day, however, the meeting was actually scheduled for September 3, 2020. The defendant was informed he was in violation of his conditions and he was instructed to turn around and return home. The GPS beacon indicated he returned to his residence at 10:45 A.M. A review of the defendant's GPS coordinates did not reveal any additional suspicious activity.
